Armor Cable and Armor Cable Hardware

PART NUMBERS	
H600	1/8" ID x .210" OD, Stainless
H60-093	.093" ID x .175 OD, Stainless
H60-5/32	5/32" ID x .234" OD, Stainless
H601	3/16" ID x 9/32" OD, Stainless
H601-316	3/16" ID x 9/32" OD, 316 Stainless
H601-GS-PVC	3/16" ID, Galvanized Steel, PVC Coated
H601-PVC	3/16" ID, Stainless, PVC Coated
H601-TEF-B	3/16" ID, Stainless, Black Teflon Coated
H601-TEF-W	3/16" ID, Stainless, White Teflon Coated
H601-TEF-C	3/16" ID, Stainless, Clear Teflon Coated
H601-IN	3/16" ID x 9/32" OD S/S Interlock
H602	1/4" ID x 11/32" OD, Stainless
H602-GS-PVC	1/4" ID, Galvanized Steel, PVC Coated
H60-5/16	5/16" ID x .425" OD, Stainless
H603	3/8" ID x 1/2" OD, Stainless
H603-IN	3/8" ID x 1/2" OD, S/S Interlock
H604	1/2" ID x 5/8" OD, Stainless
H604-GS-PVC	1/2" ID, Galvanized Steel, PVC Coated
H605	5/8" ID x 3/4" OD, Stainless
H606	3/4" ID x .890" OD, Stainless
H608-IN	1" ID x 1.135" OD, Stainless, Interlocked

NOTES:

Armor is normally stocked on spools in various lengths. If we must measure and cut, a cutting charge will be assessed. Inquire regarding available stock lengths and cutting charges.
 Measurements are approximate and are not guaranteed for accuracy.

Stainless Steel Armor is either Type 302 or Type 304.

All Armor is Square Lock except those items designated "IN" which are interlocked. Inquire for other products.
